Mesh with FRITZ!

Extend your home network with FRITZ! Mesh. Whether you have a large flat, house with several floors or garden – Mesh with FRITZ! brings fast and stable Wi-Fi to every corner of your home. It's easy to add more FRITZ! devices to your home network, which your Mesh Master (e.g. a FRITZ!Box) then 'weaves' into a larger Wi-Fi network. Mesh with FRITZ! ensures that your devices always have optimal access to the internet and home network wherever they are.

FRITZ!Powerline software

With FRITZ!Powerline the internet comes directly out of the wall socket. Simply connect a computer with your FRITZ!Powerline devices and use the FRITZ!Powerline software to change settings and use the additional features for your home network.
