

Canon CLI-581XL Cyan Ink Cartridge

Model: 2049C001

Manufacturer: CANON

EAN: 4549292087017

Product Code: 458785

R1,096

This 8.3ml high yield cyan ink is used for printing high quality documents and photos. It has a larger tank capacity meaning better value and twice the amount of printing compared to the standard equivalent. Combined with Canon's photo paper it protects your images from fading using the ChromaLife100 system. Print up to 170 photos with cyan XL cartridge, at ISO/IEC 29102¹ standard.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
