Canon's 052H black toner cartridge is the ideal solution for those who need their cartridges to go as far as possible. With a page yield of up to 9,200, it can handle a significant workload without compromising on quality. Alongside high page quantity, this Canon All-in-One toner avoids the need to replace tricky components as it can be changed using a single cartridge. The 052H cartridge packaging is fully recyclable, resulting in no landfill and a reduced CO2 footprint. This toner cartridge is fully RoHS compliant.
