

InLine Heavy-duty wall mount, tiltable, for flat screen TV (37-80"), max. 75kg

Model: 23118A

Manufacturer: INLINE

EAN: 4043718305667

Product Code: 460527

R1,821

The InLine heavy-duty TV wall mount is particularly suitable for large and heavy devices. An additional extension allows TVs to be fully tilted. This makes the back easily accessible for cabling or maintenance. In addition, the levelling enables perfect positioning in balance after installation. The viewing angle can be flexibly adjusted with the swivel function. Spring locks with release tabs allow the TV to be quickly detached from the wall. The anti-theft function secures the unit to the wall when necessary.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
