

InLine Aluminium monitor desk mount for 2 monitors up to 32", 8kg

Model: 23184A

Manufacturer: INLINE

EAN: 4043718293391

Product Code: 460565

R2,477

This monitor holder is the Hercules of monitor stands! It can hold monitors securely above your workspace. Featuring a heavy-duty adjustable sliding system that securely holds monitors weighing up to 8kg, freeing up extra desk space for improved productivity and work performance. Each screen can be adjusted independently, ensuring seamless screen alignment while allowing the monitors to be placed in the best ergonomic position. Perfect for financial analysts, programmers, call centres, control rooms, editing suites and more.
