Tax, business and currency conversion functions

- Simplify complex calculations and save time. Determine tax rate differentials at touch, thanks to two handy tax calculation keys. Work out your profit margins automatically with cost-sell-margin keys, without the need for complex formulae. Also convert local currency into the currency of your choice, or vice versa, quickly and simply - using the currency conversion keys.

Full functionality

- Take advantage of fast and accurate cash change calculations and constant calculations. The 'command sign' feature displays the calculator status automatically. Separate slide switch selectors for decimal, rounding, grand total and item count add to ease and overall functionality.

Large, 2-colour backlit display

- The large backlit LCD display offers high contrast and glare-free illumination for easy reading of figures at a glance. Large, legible Pure Green characters - shown against a black background - provide comfortable viewing even with constant use. Negative figures and errors are clearly shown in red.

Spacious keyboard layout

- A spacious keyboard layout with large, durable colour-coded keys ensures fast, easy and virtually error-free entry of figures. Designed for effortless and reliable heavy-duty use, the calculator connects to standard AC mains power.

Stylish silver metallic finish

- With its silver metallic finish and stylish, compact design the smart MP1211-LTSC brings a touch of sophistication to your office surroundings.
