

InLine Slim SAS cable, SFF-8654 8i to 2x SFF- 8654 4i, 0.75m

Model: 27649B

Manufacturer: INLINE

EAN: 4043718331819

Product Code: 461790

R2,389

High-quality **Slim SAS cable** for connecting internal SAS devices to RAID controllers, JBOD or DAS
Plug with locking clip for a secure connection and reliable signal transmission
Compliant with SAS 4.0 SFF-8654 specifications, ideal for use in professional IT environments
Supports **up to 24Gb/s per channel** for high-performance data transfers in high-speed networks
Rugged design for **durable use in server and data center environments**

The **InLine® Slim SAS cable** has been specially developed for professional use in **server and storage solutions**. It connects **SAS hard disks** or SSDs with **HBA cards, RAID controllers, JBOD, DAS or SANS systems** and ensures reliable and high-performance data transfer.

Thanks to the **Slim SAS 8i SFF-8654 to 2x Slim SAS 4i SFF-8654 connector**, it is ideal for the **internal connection of SAS storage components**. The **integrated locking mechanism** ensures a secure hold, even in demanding IT environments.

With **up to 24Gb/s per channel**, the cable enables **maximum bandwidth and fast transfer**

speeds— perfect for high-performance servers and data center applications. The **SAS 4.0 SFF-8654**
