

InLine Internal Power Y-Cable 1x 4pin Molex / 2x 4pin Molex angled 0.15m

Model: 29659W

Manufacturer: INLINE

EAN: 4043718187256

Product Code: 462021

R855

This Y-shape splitter cable allows you to connect two hard drives and/or optical drives with a 5.25" (13.34 cm) Molex power connector to a single standard output of a 5.25" (13.34 cm) ATX power supply supply electricity. The sockets, which are angled at 90 degrees, facilitate installation in the device and the organization of the cabling inside the housing.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
