R4,881

A high-yield toner cartridge with Auto Seal Removal technology for productive, mess-free printing

Extend the time between toner replacements and lower the cost of printing per page with this high-yield cartridge. Push productivity to the next level with a yield of up to 10,000 pages and reap the rewards of superior quality from a genuine Canon cartridge. Replacements couldn't be simpler - easy installation means any staff member can make a cartridge change while the Auto Seal Removal technology ensures each switch is mess- and hassle-free.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
