

InLine 2-in-1 USB-C cable + USB-A adapter, USB 2.0, 100W, TPE, black, 2m

Model: 31412B

Manufacturer: INLINE

EAN: 4043718331390

Product Code: 465838

R924

High-performance USB-C fast charging cable with up to 100 W charging power

Integrated e-marker chip for optimized charging performance and protection against overvoltage

Flexible and robust TPE cable for long-lasting use

USB-C to USB-C connection with additional USB-A adapter for universal charging options

USB 2.0 data transfer with up to 480 Mb/s

The InLine® 2-in-1 USB-C cable offers a flexible solution for fast charging and data transfer of modern mobile devices and laptops. With a maximum charging power of up to 100 W and an integrated e-marker chip, the cable ensures an efficient and safe power supply. The e-marker automatically detects the optimum charging speed for the connected device and prevents potential damage caused by overvoltage.

Thanks to the included USB-A adapter, the cable is not only compatible with USB-C power adapters,
