With Sandberg Saver Powerbank 27000 you get impressive capacity in a compact design. With a whopping 27000 mAh, you have enough power for multiple full charges of your devices—perfect for travel, festivals, and other situations where a power outlet is far away. With a capacity just under 100 Wh, it's right at the limit of what you're allowed to bring on a plane—giving you the maximum power possible for travel. USB-A and USB-C ports with fast charging ensure efficient and reliable charging of everything from smartphones to tablets, while the discreet LED indicator keeps you updated on the battery level.
