

InLine USB to RS232 Adapter USB A to 9 Pin Sub-D USB extension 0.8m

Model: 33304A

Manufacturer: INLINE

EAN: 4043718053391

Product Code: 466129

R1,027

This adapter converts the USB port into RS-232. It enables the connection of for example modem, ISDN system or PDA to the USB-port without tying up the serial port of the computer. Delivery with manual and driver.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
