

# DELL Xeon Silver 4208 processor 2.1 GHz 11 MB

Model: 338-BSVU

Manufacturer: DELL

EAN: 5397184376188

Product Code: 466217

## R20,789

The Intel Xeon® Silver 4208 2.1GHz Eight Core Processor enhances the performance and the speed of your system. Additionally, the Virtualization Technology enables migration of more environments. It supports enhanced SpeedStep® technology that allows tradeoffs to be made between performance and power consumption.

Its Thermal Monitoring Technologies protect the processor package and the system from thermal failure through several thermal management features. The VT-x with Extended Page Tables (EPT) also known as Second Level Address Translation (SLAT), provides acceleration for memory intensive virtualized applications. Packed with more features, the Xeon Silver 4208 2.1GHz Eight Core Processor is the ideal choice for virtually all of your data demanding or standard enterprise infrastructure applications.

**This product is compatible with the following systems:**
