

InLine USB 2.0 Flat Cable Type A male / female gold plated black 5m

Model: 34605F

Manufacturer: INLINE

EAN: 4043718178773

Product Code: 466321

R889

InLine® High Speed USB 2.0 (Universal Serial Bus) extension cable for data transfer with a maximum speed of 480Mbit/s. This cable is compatible with all USB 2.0 and USB 1.1 and USB 1.0 interface devices. The flat shape of this cable allows it to be installed in special contexts, such as behind furniture, under carpets and others without loss of quality and data transmission capacity.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
