

InLine USB 2.0 Active Signal Repeater Cable Type A male / A female, 25m

Model: 34614I

Manufacturer: INLINE

EAN: 4043718182893

Product Code: 466336

R1,881

The active USB 2.0 extension amplifies the signal active like a hub. This provides an extension of the USB-cable according to the USB-specification. No external power supply required. The maximum extension depends on the power supply of the USB-device. No drivers are needed in Windows.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
