R3,812

Sandberg Laptop Powerbank 27000 PD100W is the ultimate powerbank featuring impressive speed, powerful performance and a large 27000 mAh capacity! With this powerbank, you're always guaranteed fast and efficient charging of all your mobile devices - wherever you may be. It supports both DC up to 84W, regular USB-A and USB-C PD 27+100W, which means you can charge almost every type of mobile device, including laptops, in record time. A smart, informative display gives you full control over the charging process.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
