

Canon GI-41C Original

Model: 4543C001

Manufacturer: CANON

EAN: 4549292169768

Product Code: 467887

R855

Lower the cost of printing per page and extend the time between top-ups with a high-yield ink of up to 7,700 pages¹ from a full set of colour ink refill bottles. Ideal for those who print high volumes of documents and images, enjoy high-quality results with crisp, sharp and vivid documents and photos. The enhanced ink bottle also eliminates wastage and spillage thanks to its innovative no-squeeze design which reduces mess. The key type nozzle ensures that you fill the right tank with the right bottle reducing any errors while refilling.

Extend the time between top-ups and lower the cost of printing per page with a 70 ml bottle of high-yield cyan ink

Print professional-looking documents with clear, sharp text thanks to Genuine Canon Ink

A key type ink nozzle provides mess-free and error-free use as each colour has their designated slots which means you won't accidentally put the cyan ink bottle into the wrong ink tank

Print up to 7,700 pages¹ from a full set of colour ink refill bottles

Dye colour inks provide vivid images and photos

These no-squeeze ink bottles ensure an easy and simple ink refilling process and the ink stops when the tank is full – so there's no waste of ink
