to projectors.

Display mobile content on the big screen

This adapter allows you to take video content from your desktop or laptop and display it on any monitor, projector or HDTV featuring DisplayPort input. As long as your device is equipped with a mini DisplayPort output, this compact adapter ensures seamless conversion. Use it to enjoy movies on a home projector, mirror your desktop for an expanded workstation or show presentations at school or work.

Enjoy crystal-clear video

The Dell Mini DisplayPort to DisplayPort Adapter supports resolution of up to 2058 x 1600 pixels to provide crisp, rich video.

Compact size offers easy portability

Measuring 8 x 1 x 0.5 inches (L x W x H), this plug-and-play adapter is small enough to keep on hand for impromptu presentations for clients or movie nights with friends. The adapter is fitted with a 20-pin Mini DisplayPort on one end and a DisplayPort on the other, a standard fit for a wide variety of DisplayPort-compatible display monitors, projectors and HDTVs.

DisplayPort-compliant for optimum picture quality

The adapter is compliant with DisplayPort specification version 1.1a, ensuring true DisplayPort quality when video content is adapted and viewed. DisplayPort 1.1a specifications allow there to be a longer reach between source and display without reducing picture quality.

Warranty information

Purchase with confidence and rely on the protection of a Lifetime Limited Hardware Warranty from Dell and Lifetime Advanced Exchange Service for your Dell Mini DisplayPort to DisplayPort Adapter.
