Listen. Play. Chat.

Plug your headset into the Faceoff Deluxe+ Audio Wired Controller featuring a sleek black and white design! The 3.5mm audio jack supports in-game audio for all games and USB-chat for compatible titles. You can also adjust the audio on-the-fly using the D-pad on the controller. Plug in the controller and your go-to headset, and you’re ready to start commanding your team! Customize your gameplay with the dual programmable paddle-style buttons on the back of the controller. Swap out and snap in different Faceoff faceplates with the unique interchangeable design of this officially licensed controller.
