A high yield yellow toner cartridge enabling high quality printing and longevity with compatible i-SENSYS printers

Use the high yield yellow toner cartridge 067H with your compatible laser printer to ensure your prints always look their best. A full cartridge yields approximately 2,350 pages (ISO/IEC 19798), providing the longevity needed to handle all your printing demands.

- Ensure optimum printing quality with genuine Canon toner
- Print more with a high yield yellow cartridge for prints up to 2,350 pages
- Compliant with RoHS (2011/65/EU) and its amendments, including (2015/863/EU) and other RoHS-like legislations in countries/regions outside the EU, which means that materials are less hazardous to the environment
- Return every toner cartridge to be reused or recycled – it's free, easy and environmentally responsible
