

InLine Cable Tie Tool with Cutter for 2.2 - 4.8mm cabling

Model: 59968A

Manufacturer: INLINE

EAN: 4043718107582

Product Code: 469645

R1,216

Plastic cable ties can be easily tightened with these professional, adjustable cable tie pliers. Thanks to the front handle of the cable tie pliers, this tool can also be used in situations where space is limited. In addition to tightening cable ties, this tool is equipped with a cutter to tighten and cut off the excess part of the cable tie.
