# InLine Ajustable Cable Clamp 64mm nature 10pcs

Model: 59969A

Manufacturer: INLINE

EAN: 4043718166770

Product Code: 469647

## R837

The InLine® cable ties bundle clamps allow a very quick and direct application without additional tools. Especially recommended due to the reusability. They are used to bundle cables and other lines and cords. The integrated self-adhesive base also enables the bundled cables, wires, cords, etc. to be anchored in place. Alternatively, there is also the option of fixing this bundle clamp with a screw or nail. (screw and nail are not included)

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
