Model: 59977C

Manufacturer: INLINE

EAN: 4,04372E+12

Product Code: 469650

R820

InLine® cable ties with re-sealable beads (polyamide 6.6) are particularly suitable for repeated use. Useful for bundling cables, conduits and cords or for bundling sacks or bags. High resistance to sea water, oils, grease and the like. In case of storage, we recommend taking care to place cable ties in closed packages. We also recommend that you do not expose the cable ties to direct sunlight or direct heat sources (radiators) in order to prevent them from drying out during prolonged storage. Our cable ties comply with ISO EN62275.
