

InLine Universal EV charging cable holder, black

Model: 59989A

Manufacturer: INLINE

EAN: 4043718316502

Product Code: 469651

R1,027

This Universal EV charging cable holder from InLine is the perfect solution for neat and practical storage of your type 2 e-car charging cable (IEC 62196). Mounting it on the wall of your house or garage is quick and easy thanks to the included dowels and screws. The bracket ensures that the EV charging cable is always within easy reach on the wall and protects the cable coupling from damage caused by driving over it.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
