Model: 6000019556

Manufacturer: AEG

EAN: 4026245195567

Product Code: 470671

R10,408

SNMP Adapter UPS Network Integration

Available in two versions, the SNMP adapter enables users to monitor the status of UPS units via the Web or WAP. The PRO version of the SNMP adapter can additionally incorporate room access control, air-conditioning, and smoke and fire detector systems. In combination with the EnvironmentManager, the SNMP PRO Adapter is even capable of processing temperature and humidity sensor data.

- Event notification by e-mail, SMS text or network messages
- Status information can be viewed in web browser
- Automatic initiation of shutdown and reboot procedures over LAN
- Definition of time- and interrupt-driven events
- Integrated RFC1628-compliant SNMP agent for HP OpenView, SunNet Manager or other network management software
