

InLine HDMI Matrix Switch, 4K2K, 4 inputs to 2 outputs

Model: 65011K

Manufacturer: INLINE

EAN: 4043718232000

Product Code: 471063

R2,520

The InLine® HDMI MATRIX SWITCH conducts high-definition video in multiple resolutions of more up to 4K2K and multi-channel digital audio from the four HDMI sources to two displays devices. Two outputs give you the choices of high-definition audio and video signals up to two displays. Any type of 4 to 2 matrix switch offers flexibility for existing integrated systems. This eliminates the constant effort change the sources to a display equipped with one input. Every source is accessible at all times from any display device with an IR remote control. Note: The audio outputs on the rear (Toslink, coaxial, analogue stereo) are connected to output A, only the audio signal from output A is provided separately.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
