Model: 66630I

Manufacturer: INLINE

EAN: 4043718122615

Product Code: 471113

R1,119

This PCI multi-I/O card uses the latest PCI based Peripheral controller chipset from MosChip, enabling this card to be installed on any PCI capable PC system. Most of the latest motherboards no longer come with serial or parallel port. By using this card, end user can add serial and parallel ports to their PC system, allowing them to connect their serial and parallel devices. This card offers superior performance and unmatched data transfer rates. It is also ideal for industrial automation applications.
