

InLine Patch cable, Cat.6A, S/FTP, PE outdoor, black, 0.5m

Model: 72855S

Manufacturer: INLINE

EAN: 4043718259649

Product Code: 472235

R837

InLine® PE Outdoor professional, high-quality patch cable for Lan data networks in Cat.6A with double S/FTP shielding (PiMf). Thanks to its ultraviolet (UV), oil and water-resistant polyethylene (PE) sheathing, this LAN cable is suitable for outdoor applications such as standard IP and POE/POE+ video surveillance systems. It supports 10 Gigabit (10 Gbps) transmissions with a maximum frequency of 500Mhz and Fast Ethernet connections to switches, routers, hubs, cards, print servers and all active and passive network peripherals in highly professional and industrial environments such as data centres and server farms.
