This screen protector with built-in CamSlider™ protects your privacy as well as your phone. Simply slide left to block your camera – when you want your privacy – and right to open again. And should you drop or scratch your phone, the screen protector also has your back. Accidental bumps against sharp-edged dangers or crushing falls are no match for its scratch and shock-resistant layers. It even has a smudge-free coating with antibacterial effect that reduces traces of fingerprints and kills up to 99.99% of all common surface bacteria.

The Edge-to-Edge screen protector covers the entire front surface of your phone, while leaving room
