

InLine Duplex Installation Cable S/FTP PiMF Cat.7a AWG23 1200MHz, LSOH, 100m

Model: 77100I

Manufacturer: INLINE

EAN: 4043718208043

Product Code: 473177

R6,825

The duplex installation cable is delivered in a drum box for easy refer to the required length. The packaging consists of a plastic roller on wich the data cable is rolled up. This roller is fixed in a carton, whereby a simple and unwinding is guaranteed. The following are the advantages of drum box:

Cost reduction through easy handling on site without additional drum tooling

easy to carry, handy and stackable packaging to pack in construction vehicle

Lightweight (also sendable by parcel service)

Prevention of pollution and damage to the cable by means of cardboard packaging

reduce the average cost for small quantities

Specifications:

Cable for installation

Cat. 7a duplex installation cable to 1200MHz

Construction: (2x) 4x2xAWG23/1 S-FTP PiMf

Suitable up to 10Gb

Full copper conductors

Impedance: 100 Ohm, DC resistance: max. 87 Ohm / km

Halogen-free jacket LSOH

Orange sheath

Structure: pairs in metal foil

Overall braid shielding

Cable diameter about 2x 8.2mm

Installation temperature: 0 - 50°C, operating temperature: -20°C - 60°C

With meter-printing on cable

Reaction to fire Eca according to EN 50575:2014 / A1:2016

Note: The drum box is only available for the 50m & 100m bundles, whereas 300m & 500m is supplied on one drum.
