

ASUS ROG Herculx Graphics Card Holder Universal Graphic card holder

Model: 90DA0023-B09000

Manufacturer: ASUS

EAN: 4711387604335

Product Code: 475408

R1,791

Pillar of Strength

The ROG Herculx packs the structural integrity to bear the burden of even the heaviest graphics card. Toolless installation, precision adjustment, and customizable RGB lighting are combined into a space-saving design that neatly slides in to protect your investment in GPU horsepower.

Strong and Adaptable

With an adjustable height ranging from 72 to 128 mm and the strength to support even the most powerful graphics cards in a variety of chassis, the upright design of the Herculx banishes sag without cluttering your build.

MAKE YOUR WHITE ROG BUILD SHINE

Elevate your white PC build to new heights with the Herculx Graphics Card Holder and its stunning new lighting pattern. Matching seamlessly with the latest range of ROG white components, its clean design creates a minimalist aesthetic that is perfect for the understated yet powerful gaming rig of your dreams.
