

ASUS XG-C100C V3 Internal Ethernet 10000 Mbit/s

Model: 90IG08B0-MO0B00

Manufacturer: ASUS

EAN: 4712900620061

Product Code: 475518

R2,823

Hyper-fast 10Gbps Networking

XG-C100C uses next-generation 10GBase-T (10G) networking technology to deliver speeds of up to 10Gbps –10X faster than standard gigabit Ethernet. It enables ultra-fast 10Gbps network access for desktop PCs, so you can easily handle the most data-intensive tasks in your office or at home.
*Minimum Category 5e network cables (within 30m range) required for 10Gbps operation according to ASUS testing result.
