SMOOTH.

TOUGH.

WATER-RESISTANT.

TUF Gaming P1 is a 360 x 260 mm portable mouse pad with a smooth, gaming-optimized cloth surface for accurate and responsive tracking. This premium mouse pad features a water-resistant surface and anti-fray stitching for everyday durability, plus a non-slip rubber base to ensure that it stays securely in place — even during the most frantic battles.

WATER-RESISTANT SURFACE

TUF Gaming P1 is made of durable water-resistant fabric that protects against accidental spills. A military-grade nano-coating makes it easy to maintain, ensuring a consistent tracking surface that
