The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Make It Shine

Each of the zones in the 3-zone RGB lighting can be programmed individually. This gaming mouse also includes a set of specially pre-cut grip tape that allows your custom RGB lighting to shine through.

Ergonomics Redefined

65-gram design

Lightweight and streamlined to reduce fatigue after long hours of intense handling.

Specially-designed form
Sides are sloped inwards to provide a solid yet effortless grip

Perfectly-placed side buttons
Side buttons are positioned for better thumb accessibility

Extended side ledge

Right-side ledge offers extra room for the ring finger, allowing better mobility for index and middle fingers

Other Advanced Tech

ROG AimPoint Pro Sensor

The 42,000dpi ROG AimPoint Pro optical sensor allows you to track and flick with absolute precision. This level of performance now extends to virtually any table surface with track-on-glass technology.

ROG Omni Receiver

Multi-device connectivity via one single dongle.

ROG SpeedNova Wireless Technology
