ALLM.

MSI's mainstream MAG series epitomizes stability and durability and is built to withstand the most intense gaming sessions. The entire lineup features robust construction with metallic-like hardness and excellent heat dissipation, ensuring stability for all critical gaming components.

3-YEAR OLED WARRANTY

MSI recognizes the significance of providing extensive support, allowing our users to enjoy their gaming experience worry-free. We offer a 3-year warranty for OLED panels, exceeding standard coverage by including safeguards against the OLED burn-in issue.

Intricately detailed visuals and clearly defined text

New QD-OLED series gaming monitor features the latest generation QD-OLED panels. The sub-pixel arrangement improves your viewing experience, providing sharper images, finer details, and clearer text.

ASPECT RATIO OPTIONS

Supports a variety of aspect ratios, allowing selection of 24.5” imagery. Choose the size you want at your leisure, and elevate your gaming experience to the utmost.

OLED Care 2.0

MSI understands your concerns, which is why we offer MSI OLED Care. This solution provides a range of screen protection optimization mechanisms, it containes three parts (Pixel Shift, Panel Protect, Static Screen Detection). Now, MSI developed a more advanced version to provide several care services and significantly reduce the chances of OLED screen burn-in.
