Mighty with a purpose, the MPG CORELIQUID K Series descends. The MPG CORELIQUID K Series washes away your traditional image of a liquid cooler and blows it into a whole new reality. Stacked with powerful features and sculpted with eye-catching appearances, the MPG CORELIQUID K Series is here to set the benchmark, one game at a time.

## UNRIVALED RAPID COOLING

MSI's exclusive TORX FAN 4.0 provides concentrated airflow to the radiator for the most rapid heat dissipation.

## TORX FAN 4.0

Inspired by teamwork, MSI’s exclusive TORX FAN 4.0 has two fan blades working as one with an outer ring design.

**CONCENTRATED**
**COOLING PERFORMANCE**
A 60mm TORX FAN 3.0 is placed within the water block to help dissipate heat for the M.2 SSD, CPU VRMs, and surrounding components for improved performance.

## 2.4” CUSTOMIZABLE LCD DISPLAY

The MPG CORELIQUID K Series comes equipped with a 2.4” LCD capable of displaying a wide range of hardware system information and customizable graphics.

## EVAPORATION PROOF TUBING

MPG CORELIQUID K Series’ tubing is constructed with three layers of netted plastic with a reinforced mesh exterior.

## CONTROL IN YOUR HANDS

Through MSI’s exclusive software, you can independently control all of the fans’ speed according to your preference for cooling or for silence.

## THE MOST COMPLETE USER EXPERIENCE

The G.I. (Gaming Intelligence) Mode intelligently detects the temperature of the system. The radiator fans, water block fan, and pump can all have their speed adjusted according to different usage situations.

## TOTAL CONTROL IN YOUR HANDS

Everything ranging from MPG CORELIQUID K Series’ fan speed to the ARGB lighting to the LCD display can be adjusted through the MSI Center.

## EXTENSIVE COMPATIBILITY

Stunning yet built for flexibility, the MPG CORELIQUID K Series has been designed with a secure installation bundle with compatibility on a number of Intel and AMD motherboards.
