Stylish and easy-to-use customer display with simple set-up

Enhance branding and highlight promotions with this stylish and easy-to-use

customer display with simple set-up. The DM-D70 is ideal for supermarkets, pharmacies and specialty retail outlets.

The DM-D70 can be paired with Epson POS printers and operates as a simple text only display or as an enhanced text and colour display for in-store advertising and promotions.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Existing PC-POS customers benefit as the DM-D70 works with the

existing drivers as a direct replacement for the DM-D110 or DM-D210.

The DM-D70 also supports new mPOS customers who are looking for a stylish, design-led alternative to old-fashioned, traditional displays. Small and midsize businesses can take advantage of a true out-of-box display, simple tools to upload images, and a modern, full colour display that's easy to connect and is an ideal style match with the TM-m30II Series.

Set-up is easy, thanks to a single USB connection for power and data.
