

ACT USB-C M.2 NVMe / PCIe SSD Enclosure, tool- free

Model: AC1615

Manufacturer: ACT

EAN: 8716065553406

Product Code: 478568

R1,562

DESCRIPTION

The AC1615 USB-C SSD Enclosure is the ideal solution to protect your M.2 NVMe/PCIe SSD. The enclosure is suitable for NVMe/PCIe SSDs with M key or B+M key. The enclosure is lightweight, pocket-sized and tool-free. The solid aluminium case provides better heat dissipation. The AC1615 is USB powered and supports USB 3.2 Gen2 with a data transfer speed of 10Gbps. A USB-C to USB-C cable and a USB-C to USB-A adapter are included. The case supports UASP for higher data transfer.

Compatible with M.2 NVMe/PCIe SSDs with M key and B+M key

This SSD enclosure is suitable for M.2 NVMe/PCIe SSDs with M key and B+M key. You always have the right enclosure for your drive. Solid aluminium enclosure for better heat dissipation Securely store your M.2 SATA/NVMe SSD in this USB-C enclosure. The solid aluminium housing provides better heat dissipation.

SuperSpeed USB 10Gbps

The enclosure is USB powered. An external power adapter is not needed. This makes the enclosure easy to use on the go. It supports SuperSpeed USB 3.2 Gen2 (up to 10Gbps) and UASP (USB Attached SCSI-Protocol). This ensures fast data transfer speeds. The enclosure is backward compatible with USB 3.0 and USB 2.0.

Easy to install

The AC1615 is a tool-less enclosure. Easily insert and secure your M.2 enclosure without tools. A USB-C to C connection cable is included. Use the provided USB-A adapter to connect the enclosure to a USB-A data port.
