for gaming or other needs.

Trendy & Breezy Design

The wood-accented mesh front panel not only adds a stylish touch but also ensures optimal air ventilation for better cooling efficiency.

Elegantly Crafted

Curved edges and the full mesh front panel accentuate the airflow-oriented structure of the D501A.

Natural Design

Sit back and enjoy one of our first-ever wood-accented PC cases, with a refined look designed to inspire a natural vibe within your desk space.

Superior Cooling Support

Keep your system cool with support for radiators up to 360mm on the top and bottom, 280mm on the side, and 120mm on the rear, ensuring optimal thermal performance.

Large Area Air Intake

The air intake has been specially designed with large ventilation holes to keep your components cool.

Out-of-the-Box Performance

Easily manage your four pre-installed ARGB fans with the 5-port PWM ARGB control hub, giving you full control over your system's visual aesthetics. (D501A-G-WT-v2 and D501A-G-BK-v2 only)

Type-C Ready

I/O Ports: USB Type C, USB3.0, HD Audio & Mic: Easy access to essential connections.
