

ARCTIC MX-7 - ULTIMATE Performance Thermal Paste

Model: ACTCP00091A

Manufacturer: ARCTIC

EAN: 4895265000881

Product Code: 479022

R820

Thermal Pastes/Pads

MX thermal pastes have been classics on the market for over a decade and are among the most popular and best-selling ARCTIC products. With extremely low thermal resistance due to a thin bond line, simple and safe application, long durability and a customer-friendly price-performance ratio, they are the ideal addition to any CPU and GPU cooler.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
