

ARCTIC TP-3 Premium Performance Thermal Pad 120 x 20 mm, 1 mm

Model: ACTPD00056A

Manufacturer: ARCTIC

EAN: 4895213703994

Product Code: 479029

R924

Ensure the lowest thermal resistance with our award-winning thermal interfaces. Well known for its outstanding quality, our high-performance MX thermal compound is a regular winner in performance tests. It offers a very low thermal resistance due to its minimum bond line thickness and is easy to apply, even for beginners. Thermal pads in various designs and sizes round out the product range.
