

ACT 2 meters DisplayPort cable male - male, power pin 20 connected

Model: AK3980

Manufacturer: ACT

EAN: 8716065246025

Product Code: 480005

R1,151

DisplayPort is mainly used for connecting a video source to, for example, a monitor, but it can also be used to send data. A DisplayPort connector is quite similar to a HDMI connector, except that there is only one bevel on the side of the connector and not two bevels as with HDMI. The DisplayPort signal is not fully compatible with a HDMI or DVI signal.
