TP-Link AC1200 Wireless Dual Band WiFi Router

Model: ARCHER A5

Manufacturer: TP-LINK

EAN: 845973099916

Product Code: 481345

R1,791

High-Speed Dual Band Wi-Fi for Better Connections

The Archer A5 lets your PC or laptop enjoy connections 3x faster than Wireless N with Wireless AC technology.
With 300Mbps over the 2.4GHz band and 867Mbps over the the crystal clear 5GHz band, the Archer A5 is the superior choice for seamless HD streaming, online gaming and other bandwidth-intensive tasks.

Innovative Antenna Design for Maximum Coverage

Four well-ordered antennas make all of your connections more efficient and stable. Advanced antenna technology increases the receiving sensitivity to enlarge Wi-Fi coverage for your home.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Easy Parental Control

Supervise children and staff with responsible access, controlled by parents or administrators. Use key words to easily set up a black list and limit the level of web access.

Guest Network Access

Allow guests to join your Wi-Fi network, while protecting your privacy. Make sharing easy, maintain security.

Efficient Guest Authentication with Facebook

Captive portal helps maintain only authorized guests to use the network, presenting devices with a convenient, user-friendly authentication method to grant Wi-Fi access. Easily share your facebook account to anyone who connects to your network.

Easy Setup and Use

Set up the Archer A5 in minutes thanks to its intuitive web interface and the powerful Tether app. Tether also lets you manage its network settings from any Android or iOS device, including parental controls and access control.
