The USB connector is concealed in the compact body, fully protected without the need for a drive cap. A simple thumb swipe forward makes it ready to use, and the reverse motion stows the connector for storage or travel.

High speed USB 3.2 for efficient data transfer

Thanks to USB 3.2 Gen 1, the UV320 delivers data in up to 5Gbps for convenience and efficiency from one super-compact device via simple plug n play. It's also backward compatible with USB 2.0.

Big capacity, convenient storage

The UV320 is available in 32GB to 512GB, allowing you to store thousands of documents, photos, songs, and movies - convenient for daily life and work.

An easy-go design with strap mount

For added safety and personalization, the UV320 includes a strap mount for attaching to your lanyard or keychain of choice.

Near universal compatibility

Listing the devices you can use the UV320 would take forever. PCs, tablets, smart TVs, in-car systems, game consoles, home entertainment systems, and many more.
