with minimal packaging. This saves time and money and protects the environment.

**More economical: quick unpacking saves you time**

Ideal for use by customers

**More environmentally friendly: Less packaging (small waste)**

The cables are packed together in a PE bag to protect against moisture. Individual slip bags are no longer needed.

**More economical:**

The packaging is based on the optimal utilization of the carton capacity. Resources are optimally used and utilized.

**Cheaper: price advantage through bulk purchase**

5% below the individual/normal price
