

ELGATO Cam Link 4K

Model: 10GAM9901

Manufacturer: ELGATO

EAN: 843591022729

Product Code: 48333

R2,378

The Elgato Cam Link from CORSAIR is a significant tool for content creators, streamers, and anyone looking to enhance their video capture capabilities. This video capture adapter features a SuperSpeed USB 3.0 interface, providing not only a hassle-free connection to your computer but also ensuring the transfer of high-quality video in real-time. With the ability to support digital video capture resolutions up to 1920 x 1080, the Cam Link ensures your content is clear and detailed. Whether you're live streaming, video blogging, or recording, this input adapter is designed to meet the demands of modern content creation. The inclusion of a SuperSpeed USB extension cable offers additional flexibility in setup, allowing you to position the Cam Link for optimal performance. Compact and easy to use, the Elgato Cam Link is an essential tool for creators looking to produce professional-grade content.
