The Neomounts projector wall mount, model BEAMER-W100SILVER is a universal tilt-, swivel and/or rotatable wall mount for projectors up to 12 kilograms. This mount is a great choice for an optimal viewing experience. This versatile, ready to install mount, offers the convenience of installation to the wall without the need of additional accessories.

Neomounts versatile tilt (90°), rotate and/or swivel (360°) technology allows the mount to change to any viewing angle to fully benefit from the capabilities of the projector. The mount is depth adjustable from 73 to 123 centimetres. An innovative cable management conceals and routes cables from wall to projector. Hide your cables to keep the installation nice and tidy.
