For all who strive for maximum airflow – be it with water-cooled or air-cooled systems – Dark Base 701 White with its extremely air-permeable front and top cover is the right choice.

TIMELESS DESIGN WITH ARGB ILLUMINATION

A case that comes to stay

Dark Base 701 White can be recognized as a be quiet! high-end case at first glance. Its bulky design sets a statement in each gaming room and makes clear: Dark Base 701 White is here to stay. ARGB LEDs at the front panel offer multiple colors and modes to individualize the look of the case. You can optionally synchronize lighting with your motherboard or an ARGB controller.
