its dazzling display and your heavy workload? No problem! Your eyes are protected with the ThinkVision T32h-30 monitor's Natural Low Blue Light technology that cuts out harmful blue light emissions without compromising color fidelity. Connect, share, surf, and supercharge your multimedia experiences with USB Type-C, HDMI, DP, and RJ45 ports. Take it up a notch with the monitor's modular camera and soundbar support for superlative video conferencing quality. Work on the fast lane, plug in, and power up swiftly with the USB-C PD 90 W port. Beefed up with a Smart Power function for dynamic power distribution with connected devices, that lowers energy power consumption while boosting performance. You might be tempted to spend long hours in front of a monitor this fast and fabulous but you won't feel the strain on your back and neck as it tilts, swivels, pivots, and lifts to conform to your optimal viewing and seating position. You can also VESA mount the monitor to a wall and save precious desktop space for more important things. If you're particular about being environmentally conscious, then rest easy, because the ThinkVision T32h-30 monitor adheres to the TCO 9.0 regulations. All-in-all, the ThinkVision T32h-30 monitor packs in incredible display clarity and rich colors along with all the ports you need to make your work move fast and look fabulous.
