Discover the perfect blend of form and function with the BenQ BL2790 monitor, designed for the modern professional. This 27-inch LED-backlit LCD monitor delivers Full HD 1080p resolution, offering crisp, clear visuals for your multimedia content. With its anti-glare screen and raised bezel design, it provides a comfortable viewing experience even in brightly lit environments. The monitor is equipped with advanced features like Brightness Intelligence Technology and Low Blue Light Plus technology, ensuring your eyes are protected during long work sessions. Its wide 178-degree viewing angles mean that you can enjoy vibrant, accurate colors from virtually any position, making it ideal for collaborative projects. Additionally, the monitor's built-in stereo speakers offer an immersive audio experience, complementing its superior visual performance. With its sleek, eco-friendly design, the BenQ BL2790 is not only a smart choice for your workspace but also a responsible one, featuring ENERGY STAR 8.0 and EPEAT Bronze certifications. Whether you're working, gaming, or enjoying multimedia, this monitor is engineered to enhance every aspect of
